Please read all of the instructions below carefully BEFORE completing this form.

Completed forms may be faxed to ESA Headquarters at (202) 833-8775, scanned and sent as an email message attachment to registrar@esa.org, or mailed to 1990 M Street, NW, Suite 700, Washington, DC 20036 USA. Full payment for fees due MUST accompany your Supplemental Registration Form. All fees are quoted in US Dollars. Payment may be made by business check, personal check, travelers' check, money order, or credit card. Payments must be made in US Dollars and checks must be payable to the Ecological Society of America. ESA accepts credit card payments by MasterCard or VISA ONLY. ESA also does NOT accept purchase orders. The ESA Federal ID number is 37-0913411.

All sections of the Supplemental Registration Form MUST be filled out completely. Adult Guests (18 years and older): If you wish to register an adult who will accompany you as a guest at the ESA 101st Annual Meeting, complete Section B. Guest fees (\$50) provide LIMITED access to meeting programs and amenities. For details: visit www.esa.org/ftlauderdale/registration/registrations-fees. If an adult accompanies to the meeting and wishes to attend the full scientific program, they MUST complete their own Meeting Registration Form and pay applicable fees.

Youths (15 through 17 years of age) accompanying you may register at no charge (see Section C.) Registered youths are entitled to the same LIMITED access to meeting programs and amenities as registered adult guests.

ESA reserves the right to cancel any activity for which the minimum enrollment is not reached and will post updates on filled or canceled activities on the Annual Meeting page of the ESA website as Annual Meeting Alerts. (See www.esa.org/ftlauderdale.) Because cancellation decisions will be made in mid-June, we urge you to register for optional Field Trips and/or Workshops (see Sections E and F) no later than Thursday, June 16, 2016. You are responsible for reading and adhering to the conditions outlined in information posted about these activities on the ESA website. Also, because many Field Trips and Workshops occur concurrently – either on the same days or during overlapping time slots – please be sure not to register for more than one activity during any given time slot.

To register as a member of the media (with press credentials) or a pre-approved VIP guest, please provide your contact information to either Liza Lester, ESA Communications Officer (llester@esa.org), or Faye Pastor, ESA Registrar, (faye@esa.org). Members of the media, exhibitors, and/or VIP guests who wish to request Field Trip, Workshop, Ticketed Event or Guest Registration should complete and return this Supplemental Registration Form.
